Heaven Bound Tours will again this year be offering an opportunity for you to join us as we visit Prestonwood Baptist Church in Plano, TX for their spectacular Christmas Program. This year they will have a whole new ACT 1 and ACT 2 has been enhanced so there will be much to see and enjoy this year!

TOUR HIGHLIGHTS:

The Gift of Christmas is a Prestonwood tradition and has become one of the highlights of the Christmas season in the Dallas area, with thousands of guests attending every year. This visually stunning multimedia event is complete with special effects, a nearly 1,000-member cast and choir, live orchestra, flying angels and much more!

The program will keep you fully engaged for a powerful 90 minutes. It is complete with all your Christmas favorites, including the beautiful Living Nativity. Featuring camels and kings, flying angels and beautiful virtual scenery, the Christmas story comes to life in a breathtaking way. A bold lighting and scenic design give a unique look to inspire and engage the audience, enhancing the message of The Greatest Story Ever Told! The scenic pieces, costumes and choreography are highlighted by a brilliant, original musical score, arranged and orchestrated just for Prestonwood and this special event.

At the heart of this production will be the simple story of Christmas—the manger, shepherds, Joseph and Mary, the Christ child—and the glorious hope we have in our Savior! It is an awe-inspiring presentation of the true gift of Christmas and an experience not to be missed! It is not your ordinary church Christmas program. This musical presentation is extremely well done. It could very well be the highlight of your Christmas activities.
